

Phantoms No More (I Dare) – Lyrics: Luis Miguel Battistella – Music Davide Mattioli & Luis Miguel Battistella

Dry wings  
Faint lights  
No shadows to pull me down  
Old winds  
Come 'n' reunite  
As in the days I wore a crown

Tonight  
New grace  
No chains no recollection  
To fly  
I brace  
The heat of your reflection

I left behind the phantom  
The thought of you abandoned  
Oh safe 'n' barren treasure  
The bond of an ideal  
I dare to get your love for real  
I now deserve such pleasure

I dare  
I dare

Unlock  
Your lips  
Your smile lights a second sun  
Your eyes  
So blue  
I dive in this second chance

I fought  
I won  
The former me has lost the war  
Look up  
Don't cry  
The past is marooned ashore

I left behind the phantom  
The thought of you abandoned  
Oh safe 'n' barren treasure  
The bond of an ideal  
I dare to get your love for real  
I now deserve such pleasure

I left behind the phantom  
The thought of you abandoned  
Oh safe 'n' barren treasure  
The bond of an ideal  
I dare to get your love for real  
I now deserve such pleasure

I dare  
I dare
